

DYLAN

RODOLFO DORDONI DESIGN

The instinct for the continuity of shapes, and lines, and for consistency of language and style typical of Minotti's modus operandi, is embodied in the Dylan modular seating system. A multifaceted and versatile lexicon in which the rigour of forms is combined with their ability to accommodate. Every detail of Dylan combines the tailoring of the upholstery with the multifaceted vision of a rational architecture that passes from the space to the furniture, balancing and perfectly integrating it with the contemporary way of interpreting and experiencing living spaces.

The arrangement depicted is just one example of the many different compositions possible with our seating systems. We suggest that you contact the nearest Minotti dealer to explore the options most suited to your needs and select the upholstery of your choice from the exclusive Minotti collection.
